

## *RoHS, REACH and conflict materials*

### **1. RoHS declaration of conformity**

Herewith the company Transformatoren Technik Jahnsmüller GmbH confirms that the production of their products and their electrical products complies with the EU Directive RoHS 2 (2011/65/EU) and does not contain substances that are prohibited or subject to declaration.

The substances regulated in Germany are: lead (Pb), cadmium (CD), polybrominated biphenyls (PBB), polybrominated diphenyl ethers (PBDE), hexavalent chromium, mercury (Hg), benzylbutylphthalate (BBP), di (2-ethylexyl)phthalate (DEHP), dibutylphthalate (DBP), diisobutylphthalate (DIBD).

Transformatoren Technik Jahnsmüller GmbH is aware that the declarable substances must be stated in writing and unsolicited.

### **2. REACH declaration of conformity**

The company Transformatoren Technik Jahnsmüller GmbH is obliged to inform its customers according to Article 33 (1) of the REACH Regulation, provided that the products supplied by us contain more than 0.1% of a substance of very high concern (SVHC substance).

The current list of candidates can be viewed online on the ECHA website:

<https://echa.europa.eu/web/guest/candidate-list-table>

To this day, we have no knowledge that the products supplied to you contain SVHC substances in concentrations above 0.1%.

The company Transformatoren Technik Jahnsmüller GmbH will inform all customers unsolicited as soon as information is available that SVHC-substances above the mentioned mass concentration are contained in our products.

These statements are based on the current state of knowledge and experience. For factors that are beyond our knowledge and control, no warranty can be assumed.

### 3. Statement of Transformatoren Technik Jahnsmüller GmbH on the use of „conflict materials“ according to article 1502 of the Dodd-Frank-Act

**Article 1502 of the Dodd-Frank Act** aims to deal with the four conflict minerals tin, tantalum, tungsten and gold and their derivatives mined in conflict areas such as the Democratic Republic of Congo and neighboring countries. The aim of the law is to combat human rights violations in the region and to prevent the financing of armed groups in the DR Congo and the surrounding states through the sale of raw materials.

Transformatoren Technik Jahnsmüller GmbH is aware of its social responsibility with regard to environment, safety, health and human rights and understands that its behavior in business can affect the society and environment. In order to ensure a peaceful, fair and sustainable use of our worldwide resources, Transformatoren Technik Jahnsmüller GmbH assures and confirms the following:

From the materials mentioned above Transformatoren Technik Jahnsmüller GmbH uses only tin in its products. This raw material is sourced exclusively from the Asian and American regions. Our information on the origin of the conflict materials comes from the information provided by our suppliers.
